

Agri-Saaten GmbH

Maschweg 105

49152 Bad Essen

January 2023

Transgene Certificate

To Whom it May Concern,

All vegetable seeds delivered by agri Saaten GmbH in 2022 and will be delivered in 2023 have been developed by using traditional plant breeding techniques. These varieties were not developed by using genetic transformation or other forms of genetic manipulations.

Sincerely

General manager

Agri-Saaten GmbH
